The existing Memorandum of Association ("MOA") of the Company was originally adopted in accordance with the provisions of former Company Law. With the enactment of the Companies Act, 2013, a revised format and structure of the MOA has been prescribed.

The Ministry of Corporate Affairs has mandated that companies align their charter documents—particularly the Object Clause—with the requirements and terminology of the Companies Act, 2013, which classifies objects into main objects and matters necessary for furtherance of the objects, instead of earlier main, ancillary, and other objects.

To bring the MOA in line with the current regulatory framework and to reflect the Company's updated business activities and future plans, the Board of Directors at its meeting approved the adoption of a new set of Memorandum of Association, subject to approval of the Members.

The proposed new MOA is drafted in accordance with Table A of Schedule I of the Companies Act, 2013 and replaces the existing MOA entirely.

The Board recommends the resolution for approval of the Members as a Special Resolution.

None of the Directors, Key Managerial Personnel, or their relatives are concerned or interested in this resolution except to the extent of their shareholding, if any.

**Item No. 13: To approve the adoption of the Articles of Association in substitution and to the entire exclusion of the existing Articles of Association of the Company:**

The existing Articles of Association ("AOA") of the Company were adopted at the time of incorporation and are based on the provisions of the former Company law. With the enactment of the Companies Act, 2013, and subsequent amendments and changes in corporate governance requirements, it has become necessary to align the Company's AOA with the provisions of the new Act.

Further, certain modifications are required in the AOA to facilitate smooth management operations, provide greater flexibility to the Board in conducting the affairs of the Company, incorporate updated statutory provisions, and remove/replace outdated clauses that are no longer relevant.

In view of the above, the Board of Directors at its meeting approved the draft of the revised Articles of Association, subject to the approval of the members. The revised AOA is comprehensive and is proposed to be adopted in substitution of the existing AOA.

Pursuant to Section 14 of the Companies Act, 2013, alteration of the AOA of the Company requires approval of the members by way of a Special Resolution.

A copy of the draft revised Articles of Association of the Company is available for inspection by the members at the Registered Office of the Company during business hours on any working day up to the date of the meeting and will also be available at the meeting. Further, the copy of draft AOA is available on the website of the company at [https://www.paeltd.com/assets/paedoc/charterdocument/Draft%20AOA\\_PAE.pdf](https://www.paeltd.com/assets/paedoc/charterdocument/Draft%20AOA_PAE.pdf)

None of the Directors, Key Managerial Personnel of the Company and/or their relatives is concerned or interested in the resolution, except to the extent of their shareholding, if any, in the Company.

**ITEM 14: To consider and approve the enhancement of borrowing limits of the Company under Section 180(1)(c) of the Companies Act, 2013:**

The Board of Directors of the Company seeks the approval of the members to increase the borrowing limits of the Company under Section 180(1)(c) of the Companies Act, 2013.

Section 180(1)(c) of the Act requires that the Board of Directors shall not borrow money (apart from temporary loans obtained from the Company's bankers in the ordinary course of business) in excess of the aggregate of the paid-up share capital, free reserves and securities premium of the Company without the consent of the members by way of a special resolution.

The details of Paid-Up Share Capital, Free Reserves and Securities Premium of the company are as follows:

| Sr.No.       | Particulars           | Amount (in Lakhs Rs.)<br>As on March 31, 2025 |
|--------------|-----------------------|---|
| 1            | Paid Up Share Capital | 100.00  |
| 2            | Free Reserves         | 977.72  |
| 3            | Securities Premium    | 531.22  |
| <b>Total</b> |                       | <b>1,608.94</b>                               |

Considering the Company's existing and future business expansion plans, working capital requirements, capital expenditure programs, strategic investments, and general corporate purposes, it may be necessary for the Company to borrow additional funds from time to time. The present borrowing limit approved by the shareholders is considered insufficient in view of the Company's growth trajectory and long-term funding needs.

In view of the above, the Board recommends increasing the borrowing limit up to ₹ 5,000 crores (Rupees Five Thousand Crores only). The proposed limit is considered adequate to support the Company's business operations and ongoing expansion.

The Board therefore recommends the approval of the Special Resolution as set out in **Item No. 14** of the accompanying Notice.

None of the Directors, Key Managerial Personnel of the Company or their relatives is concerned or interested, financially or otherwise, in the resolution, except to the extent of their shareholding, if any, in the Company.

The Board of Directors recommends the resolution for approval of the members as a **Special Resolution**.

#### **ITEM NO. 15 To consider and approve enhancement of limits under Section 186 of the Companies Act, 2013**

The Company, in the ordinary course of its business, may be required to make investments, grant loans, provide guarantees or offer security to various bodies corporate, associates, subsidiaries, joint ventures, or other entities for strategic, business, or treasury management purposes. Such financial support may also be necessary to optimise returns, pursue new opportunities, or support entities with strategic importance to the Company.

Under Section 186 of the Companies Act, 2013, a company cannot give loans, guarantees, provide security, or make investments beyond the prescribed limits without obtaining prior approval of members by way of a Special Resolution.

The Company can give loans, guarantees, provide security, or make investments upto-

**60% (Paid -up share Capital + Free Reserves + Securities Premium) = 9,11,36,400/-**

**100% (Free Reserves + Securities Premium Account) =15,08,94,000/-**

Considering the Company's long-term plans, potential investment opportunities, and possible financial support to group entities or strategic ventures, the Board considers it prudent to seek members' approval to authorise aggregate loans/guarantees/security/investments up to ₹ 5,000 crores, notwithstanding that such amounts may exceed the limits specified under Section 186.

| Existing Paid-up share capital | Free Reserves | Securities Premium |
|--------------------------------|---------------|--------------------|
| 1,00,00,000                    | 9,77,72,000   | 5,31,22,000        |

The proposed limit will ensure financial and strategic flexibility to pursue business objectives as and when opportunities arise.

None of the Directors, KMP or their relatives are concerned or interested in this Resolution, except to the extent of their shareholding, if any.

The Board recommends the passing of this **Special Resolution**.

**ITEM.16: To consider and approve borrowing of unsecured loan up to Rs. 100 Crores (Rupees Hundred Crores Only) from the Director with an option to convert the loan into equity shares of the Company, at a later date:**

To support the Company's working capital requirements, business operations, and ongoing projects, the Company requires additional financial assistance. Considering the funding needs and the desire to optimise the capital structure, **Mr. Jatinbhai Ramanbhai Patel (DIN: 06973337)**, Director of the Company, who is a related party within the meaning of Section 2(76) of the Companies Act, 2013, has offered to provide an unsecured loan of up to ₹100 crores on mutually agreed terms.

In order to provide flexibility in future financial planning and to strengthen the Company's balance sheet, the Director has also agreed to extend the loan with an option to convert the outstanding principal and/or interest into equity shares of the Company at a future date.

As per Section 62(3) of the Companies Act, 2013, where a company raises a loan with a right to convert such loan into equity shares at a later stage, the approval of the members by way of a Special Resolution is required.

The proposed arrangement is considered beneficial for the Company, as it provides immediate liquidity, reduces dependency on external borrowings, and gives the Company the option to reduce debt in future through conversion into equity.

The conversion price will be determined in accordance with applicable laws, including SEBI (LODR) Regulations, SEBI pricing guidelines (if applicable), and other statutory requirements. Actual conversion will also require approval of the Board at the relevant time and compliance with all applicable regulatory procedures.

The details as required under Section 188 of Companies Act, 2013 in case of Related Party Transaction is as follows:

| Sr.No. | Particulars   |   |

Except Mr. Jatinbhai Ramanbhai Patel, none of the Directors, KMP or their relatives are concerned or interested in this Resolution, except to the extent of their shareholding, if any.

The Board recommends the passing of this Special Resolution.

#### **Strategic Expansion Driving PAN-India Growth**

The Company envisions to demonstrate exceptional growth, underpinned by its unparalleled PAN-India distribution network and a focused strategy of regional consolidation. In a significant step towards strengthening its national footprint, the Company successfully completed the acquisition of four privately held entities based in Rajasthan, Gujarat, and Telangana, all engaged in the trading and processing of agricultural commodities.

These acquisitions can substantially enhance the Company's sourcing capabilities, processing capacity, and last-mile distribution reach across key agricultural belts of India. Each entity to be acquired brings deep regional expertise, established supplier relationships, and strong market presence in their respective states, enabling the Company to seamlessly integrate regional strengths into a unified national platform.

With these additions, the Company would now operate an expanded distribution network spanning multiple agriculture-climatic zones, ensuring consistent supply, optimized logistics, and faster market access across India. The integration of processing facilities has also improved value addition, quality control, and margin resilience, while reducing dependency on third-party processors.

The strategic presence in Rajasthan and Gujarat strengthens the Company's position in key western agriculture-markets, while the Telangana acquisition significantly enhances its footprint in southern India. Together, these acquisitions position the Company as a truly PAN-India player with end-to-end capabilities across procurement, processing, and distribution of agricultural commodities.

This expansion aligns with the Company's long-term vision of building a scalable, resilient, and regionally diversified agri-business. The synergies arising from these acquisitions are expected to drive sustainable revenue growth, improve operational efficiencies, and create long-term value for stakeholders.

## Management Discussion and Analysis Report

### **1. Introduction**

PAE Limited ("the Company"), a Mumbai-based entity, was engaged in the marketing, distribution, and servicing of lead storage batteries, power backup systems, and automotive parts. Incorporated in 1950 as Premier Auto Electric Limited and renamed PAE Limited in 2003, the Company operates nationwide with over 26 offices and a network of dealers, catering to automotive aftermarket needs for vehicles ranging from heavy commercial to two-wheelers. Listed on the BSE (Scrip Code: 517230), it has historically navigated the competitive auto ancillary's sector.

FY 2024-25 (April 1, 2024, to March 31, 2025) was a transformative year, marked by the Corporate Insolvency Resolution Process (CIRP) under the Insolvency and Bankruptcy Code, 2016 (IBC). Initiated on April 22, 2024, by the National Company Law Tribunal (NCLT), Mumbai Bench, the process culminated in the approval of the Resolution Plan on November 27, 2024. This revival extinguished prior debts, restructured equity (with new promoters allotting fresh shares), and enabled operational resumption in business of the Company.

The period focused on stabilization, creditor settlements, and limited revenue generation amid the transition. This report reviews performance, financials, risks, and outlook based on audited consolidated statements. All figures are in Rs. Lakhs unless specified.

### **2. Economic and Industry Overview**

The Indian auto components industry exhibited strong growth in FY 2024-25, achieving a turnover of Rs. 6.73 lakh crore (US\$ 80.2 billion), up at a CAGR of 14% from FY 2020-25. In H1 FY25, the sector grew 11.3% to Rs. 3.32 lakh crore (US\$ 39.6 billion), driven by robust domestic demand and export recovery. Exports contributed significantly, with the industry targeting US\$ 200 billion by FY26.

Key drivers included rising vehicle production (23.85 million units in FY24), government initiatives like PLI schemes, and EV adoption. The battery and power systems segment benefited from electrification trends and renewable energy integration. Challenges encompassed raw material volatility (e.g., lead prices up ~8-10% YoY) and supply chain disruptions from global events. Employing over 5 million, the sector contributes ~7% to GDP and is poised for 9-10% growth in FY26, with investments of US\$ 7 billion targeted by FY28.

Post-revival, PAE is well-positioned to leverage these tailwinds, though FY25 performance was curtailed by CIRP suspension.

### **3. Operational Review**

Under CIRP (April-November 2024), operations were halted, with the Resolution Professional managing asset preservation and claims. Post-approval on November 27, 2024, revival efforts have been made by the new management.

Total income remained at Rs. 61,422.24 Lakh due to Profit and loss liability write off and other incomes, from post-revival activities. Expenses totalled Rs. 60,074.10, covering CIRP fees, legal costs, and reboot expenses. Compliance with IBC was maintained, with no post-revival defaults.

### **4. Financial Review**

FY 2024-25 financials reflect CIRP impacts, with net losses from suspended operations and one-time costs.

### **MANAGEMENT’S RESPONSIBILITY FOR INTERNAL FINANCIAL CONTROLS**

The Company’s management is responsible for establishing and maintaining internal financial controls with reference to Financial Statements based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

### **AUDITORS’ RESPONSIBILITY**

Our responsibility is to express an opinion on the Company’s internal financial controls with reference to Financial Statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the ‘Guidance Note’) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under Section 143 (10) of the Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a

material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

Because of the matters stated in the basis for Disclaimer of Opinion paragraph below, we are unable to obtain sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting of the company.

### **MEANING OF INTERNAL FINANCIAL CONTROLS OVER FINANCIAL REPORTING**

A company's internal financial control with reference to Financial Statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control with reference to Financial Statements includes those policies and procedures that:

- (1) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company;
- (2) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of the Management and directors of the Company; and
- (3) Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

### **INHERENT LIMITATIONS OF INTERNAL FINANCIAL CONTROLS OVER FINANCIAL REPORTING**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### **Disclaimer of Opinion**

We do not express an opinion on Internal Financial Controls of the company under Clause (i) of Sub- section 3 of Section 143 of the Companies Act, 2013. Because of the significance of the matter described in the basis for disclaimer of opinion para of this report, we have not been

able to obtain sufficient appropriate audit evidence to provide a basis for an opinion on Internal Financial Controls of the company.

**Basis for Disclaimer of Opinion**

The system of internal financial controls over financial reporting with regards to the Company were not made available to us to enable us to determine if the Company has established adequate internal financial control over financial reporting and whether such internal financial controls were operating effectively as of March 31, 2025.
